Good Shepherd Episcopal School

is located in the heart of Kingwood, Texas, a majestic master-planned community located in a natural forest setting within the Northeast city limits of the city of Houston.

Founded in 1984, Good Shepherd School began with two classes and twenty two children. Today, we have over fifteen classes and maintain a regular student roster of over 300 students. We have school-year programs for children ages 1 through kindergarten.

In 2007, we achieved the highest honor of being an accredited education facility in early childhood development and have passed rigorous standards set by the National

- **Experienced, educated, tenured staff**
- **Low student-to-teacher ratio**
- **Pre-school, kindergarten, and transitional kindergarten**
- **Hands-on learning**
- **Critical Thinking Program**
- **Dedicated Music, Art, and Science Enrichment Programs**

Association of Episcopal Schools, and the Southwestern Association of Episcopal Schools.

More than anything, we encourage children to grow in a loving educational and spiritual environment.

Our student-to-teacher ratio is low, so each child gets the care and attention that they deserve, allowing them to express themselves artistically while exploring new themes and thinking critically.

If you are interested in enrollment, please visit our website or contact us by phone. Thank you and we look forward to seeing you soon.
